CYTO JOINS PHR&A/HAZEN AND SAWYER ON WATER SYSTEM STUDY FOR BALTIMORE CITY

Columbia, Md. – Cyto Communications has been named to the joint venture team of Patton Harris Rust & Associates/Hazen and Sawyer, PC, which was chosen by Baltimore City's Department of Public Works to perform an engineering study of a portion of the metropolitan area's sewer and water system. The national engineering firms of Patton Harris Rust & Associates, and Hazen & Sawyer maintain local offices in Columbia, Md., and Fairfax, Va., respectively.

Cyto Communications' managing partner Rich Badmington will direct community outreach and education activities on the multi-year project.
